

LUFKINS-ROBINSON WED

Heather Lufkins and Clifford Robinson were married on Sept. 21, 2003, on the Island of Barbados in a sunset ceremony overlooking the ocean. Parents of the couple are John and Gina Lufkins of Bay Mills, Phil and Roni VanSloten of Brimley, and Helena and the late Clifford Robinson Sr. of Buffalo, N.Y. Several family members and friends also attended.

The bride wore a custom-made European gown of white silk and charmause flash chiffon, designed by Amy Michelson. She carried a bouquet of exotic tropical flowers, and she was given in marriage by her father, John Lufkins.

Attendants for the ceremony were Tracy Bertram of Bay Mills, Mich., Yvonne Yacone of Barbeau, Mich., James Edward of Seattle, Wa., and David Esdale of Danbury, Conn. Bridesmaids wore antique white silk chiffon gowns and carried tropical floral arrangements.

Flower girls were Madelyn DeVuono, daughter of the bride, of Royal Oak, Mich., and Savannah Robinson, daughter of the groom, of Portland, Ore. They wore white silk dresses accented with melon color sachets. Ring bearer was Jaylin Robinson, son of the groom, of Portland, Ore.

A reception was held on Sept. 26, 2003, at the Roostertail Riverfront in Detroit, Mich.

The bride is the owner of Blue Heron Art and Design Gallery in Birmingham, Mich. The groom is employed with the National Basketball Association (NBA), and is presently playing for the Golden State Warriors. The couple resides in Royal Oak, Mich., and Oakland, Calif.

I would like to wish my son, Zachery Watson, a Merry Christmas and a Happy New Year. I know this will be our first Christmas apart and I will be far away, but you will be close to my heart and thoughts. I will be home just as soon as I can to see you.

Love Always, Buddy,
Dad

Gtchi Miigwech to two gentlemen of Bay Mills who stopped on Six Mile Rd. to help me out with a flat tire. If anyone wants a tire changed in 5 minutes flat, be sure to call Joel Cameron and Chris Carrick!

Thanks so much, you guys are the best.

We would like to thank Bay Mills Resort and Casino staff for the two nights accommodations they provided us during the recent power outage. As usual, the staff treated us wonderfully. We would also like to thank Tony and Dawn LeBlanc for the use of their freezer. Thanks to everyone else who offered us freezer space, heaters, and a place to stay. Your generosity is truly appreciated.
